

Defending the Whales
whales.greenpeace.org/us

Dear Mr. President,

For more than three decades, the United States led international efforts to save whales by adopting a moratorium on commercial whaling. The moratorium's implementation in 1986 was both a victory for whale conservation and a milestone for U.S. environmental diplomacy. But the U.S. government seems to have forgotten about the whales and the huge amount of support that there is for whale conservation among the American public. As a citizen and voter, I ask that your Administration use all the diplomatic means at its disposal to defend and secure the international moratorium on commercial whaling and immediately stop all whaling in the Southern Ocean Whale Sanctuary.

Sincerely,
